

SAFEGUARDING CHILDREN POLICY

for

OROKOLO HOLIDAY CLUBS CIC

1. Introduction

I. OROKOLO HOLIDAY CLUBS CIC (the Organisation) is a non-profit organisation run for the following purpose:

OROKOLO Holiday Clubs CIC will provide art and natural science tuition of primary school children between the ages of 4 and 11 years of age during term and half term holidays - total of 6 weeks per year in one or multiple venues across London. The aim is to expose children to our natural environment and art as much as possible even in cosmopolitan cities like London.

Art tuition will be focusing on working with different materials and exploring different mediums.

Natural science will aim to explore the natural environment contained in a local park and emphasise the importance of trees, plants, insects and all wild life.

Also we will take a children-centered approach to where their imagination and curiosity takes them by exploring science theoretically and practically.

II. The Organisation is based at:

43 Westcott road
london
Se17 3qy

III. The Organisation has adopted this safeguarding children policy and expects every adult working or helping at OROKOLO HOLIDAY CLUBS CIC to support it and comply with it. Consequently this policy shall apply to all staff, managers, trustees, directors, volunteers, students or anyone working on behalf of Organisation.

2. Purpose of the Policy

I. This policy is intended to protect children and young people who receive any service from us, including those who are the children of adults who may receive services from us.

II. The Organisation believes that no child or young person should experience abuse or harm and are committed to the protection of children and young people and this policy is intended to provide guidance and overarching principles to those who represent us as volunteers or staff, to guide our approach to child protection and safeguarding.

3. The Risks to Children

Nearly every child grows up in a safe and happy environment and it is important not to exaggerate or overestimate the dangers. Nevertheless, there are situations where children need protection including but not limited to:

- Sexual abuse;
- Grooming;
- Physical and emotional abuse and neglect;
- Domestic violence;
- Inappropriate supervision by staff or volunteers;
- Bullying, cyber bullying, acts of violence and aggression within our schools and campuses;
- Victimisation;
- Self-harm;
- Unsafe environments and activities;
- Crime; and
- Exploitation.

4. Universality of Protection

The Organisation recognises that:

- the welfare of the child is paramount;
- all children regardless of race, gender, religious belief, disability, age, sexual orientation or identity have a right to equal protection from harm;
- some children are more vulnerable to harm as a result of their circumstances, prior experiences, communication needs or level of dependency; and
- working with children, young people, their parents and/or guardians, carers or other agencies is essential to protecting their wellbeing.

5. Safeguarding Children at Events/Activities

I. There are three kinds of events/activities:

- (A). those open to adults and children of all ages;
- (B). those for children accompanied by a 'parent'; and
- (C). those for unaccompanied children, which are sometimes run alongside other events/activities.

II. At events and activities open to all ages, children under 16 must be accompanied throughout by an adult over the age of 18 who not only brings the child but also takes the child home again afterwards. Young people aged 16 or 17 may attend unaccompanied if they bring the written consent and mobile telephone number of one of their parents.

III. At events and activities for children accompanied by a 'parent', children under 16 must be supervised throughout the event by an adult over the age of 18 who not only brings the child to the event but also takes the child home again afterwards. If a lone adult brings more than one child, then the children will have to stay together, so that the one adult can supervise them. Young people aged 16 or 17 may attend unaccompanied if they bring the written consent and mobile telephone number of one of their parents.

IV. At events and activities for unaccompanied children, children under the age of 16 must be enrolled by a responsible adult before being left with the event leader. The enrolment must record the child's name, age and address and the names and addresses of the child's parents, plus the parents' mobile telephone numbers. Young people aged 16 or 17 may attend unaccompanied if they bring the written consent and mobile telephone number of one of their parents.

V. Both events and activities are to be defined broadly to include any occasions where the Organisation will be providing a service.

6. Disclosure and Barring

I. The Organisation offers the following activities for children:

Art tuition in group lead by two artists and a TA: drawing, print making, clay and pottery, arts and crafts, painting, making puppets etc.

Natural science tuition lead by a science teacher and two TAs: collecting samples, talking about and observing nature, measuring trees from the ground, etc.

Supervised free play at a local playground - public or for private use by the group of children only.

Walk around the park.

Plant trees

Plant seeds

Learn to use microscope

Pond dipping

II. Some of our activities may therefore require adult participants or adult leaders to undergo DBS and/or police checks under the Safeguarding Vulnerable Groups Act 2006. The required level of checking (if any) will broadly reflect the degree and frequency of unsupervised access given to other people's children.

III. The Organisation will take very seriously any allegation of impropriety on the part of any member of the Organisation. A member of the Organisation who discovers anything amiss should get in touch immediately with the following:

EKATERINA BELCHEVA

IV. Allegations will be appropriately reviewed and the likely risk to children and, if appropriate, will consider banning the member from future events or revoking his or her membership or both, but only in full accordance with the rules and procedures of the Organisation.

7. Health and Safety Aspects of Safeguarding Children

I. Before starting any event for unaccompanied children, the Team will carry out a risk assessment and then take steps to minimise all risks to health and safety. Parents and children will be made aware of any particular risks and of the steps to be taken to minimise those risks. The Team will keep a record of all risk assessments.

II. Sufficient adults must be present at any event for unaccompanied children to enable one adult to deal with any emergency while another adult supervises the children not directly affected by the emergency.

8. Prevention of Bullying

We will not tolerate the bullying of children either by adults or by other children. If any incident of child-on-child bullying should arise at a the Organisation event, those involved will be separated immediately and the parents of the children involved will be asked to deal with the matter. The Team will review all incidents of child-on-child bullying and assess the likely future risk to children. If appropriate, the Team will consider banning a child from future events, but only in full accordance with the rules and procedures of the Organisation. Allegations of adults bullying children will be dealt with in accordance with this Policy.

9. Photographing Children

People must expect to have their photograph taken at many of our events and we reserve the right to publish suitable photographs of those attending, along with the names of members involved.

10. Managing Behaviour, Discipline and Acceptable Restraint

I. Adults supervising children at the Organisation events must never use any form of corporal punishment. If physical restraint is absolutely necessary to prevent injury to any person or to prevent serious damage to property, then the minimum necessary restraint may be used — but for that purpose only.

II. Unacceptable behaviour at the Organisation events for unaccompanied children will generally be stopped by separating the children from each other and from the group. The miscreants will be suitably supervised and will be returned as soon as possible to the care of their parents.

III. The Organisation may apply a further disciplinary sanction; namely the banning of the child from one or more future events over the following 18 months. Any such sanction would be determined and applied by the following officer: **TEACHER ASSISTANT**.

IV. A parent who is aggrieved by this ban may appeal to the Organisation who will hear the views of all relevant persons. The decision of the Organisation is then final.

11. Other Policies

This safeguarding policy should be read together with the following policies and resources of the Organisation:

Employee background check policy
Health and safety

12. Legal Framework

This policy has been drawn up in accordance with the following legislation and guidance:

- Children Act 1989
